

## **BAS Anti-Racism Statement**

Recent worldwide protest concerning inequality and systemic racism has provoked much reflection and debate across all sections of society.

At Bath Artists' Studios we recognise that this affects the arts sector as much as any other. As an organisation we are also aware that we have much work to do to ensure that we properly reflect the wider society in which we live and work. Bath Artists' Studios has a comprehensive Equality and Diversity policy in which we are clear that we do not tolerate racism or any form of discriminatory practice. Moving forward, we now look to work in partnership with organisations and individuals to develop and seamlessly integrate strategies to build Bath Artists' Studios as an equal, diverse and anti-racist organisation, committed to providing services and programmes that will be accessible, relevant and welcoming to all.
